

7-9 Series Books

With some approved series and books with sequels (listed below) a student can read any three books from the series for the Challenge.

Only three books from the series can be read as part of a student's official reading.

Students may read and enter up to five other books from the series, not as part of their official reading, but in their personal choice books.

When the Challenge is completed, students might like to continue reading more books from that series for their own pleasure.
