

2015 Book Bonus is open for registration! Now is the time to join in and significantly grow your school's available literacy resources.

What is Book Bonus?

Book Bonus is a fundraising campaign organised by Dymocks Children's Charities (DCC) which is associated with the PRC. Book Bonus provides an opportunity for school students to raise funds for **new books for their school**, as well as schools in need, whilst completing the PRC.

Book Bonus is completely *optional* and is open to all schools and their students across NSW. By simply promoting student participation in the campaign through their school newsletter, schools can raise thousands of dollars for new books for their schools.

Book Bonus features:

- **100% of funds** raised by students return to their school as books
- **No additional work for staff** and teachers other than selecting their books
- Additionally, 50% of funds will be donated to DCC literacy support programs
- All children raising \$200+ will receive a \$20 book of their choice*
- Additional \$7,250 in prizes for top fundraising schools & individuals

For example, a **STUDENT** who raises \$200 achieves:

For Your School	•\$200 of Books
For a School in Need	•\$100 of Books
For the Student	•\$20 Book

Or, a **SCHOOL** that raises \$2,500 achieves:

For Your School	•\$2,500 of Books
For a School in Need	•\$1250 of Books
For the Student	•\$20 Book for each child raising >\$200

How does Book Bonus benefit other schools?

Dymocks Children's Charities will provide 50% of the dollar value of the funds you raise for new books for selected schools in need across NSW.

How do you register?

Students participating in the 2015 PRC can join in Book Bonus by registering online at Bookbonus.org.au or by clicking the Register Now button below. Once the student has created a Book Bonus page, they can send a link to family and friends asking for sponsorship, add photos, keep track of donations and update their reading progress.
